

Head Gymnastics Coach

Indiana FitWorks Gymnastics (IFG)

- Posted: January 27, 2020
- Part-Time, average 25 hours/week with potential of additional hours

IFG is a Gymnastics Program looking for a Head Gymnastics Coach to take us to the next level!

Compensation commensurate with qualifications and experience.

SUMMARY:

The Gymnastics Head Coach provides leadership for and supervision of the Gymnastics Team and Recreation Programs including participant and community relations; instructing participants, overseeing safety, and supervising coaches and volunteers. This position is directly responsible for training, instructing, and coaching primarily involving the Gymnastics Team and secondly, other related recreational programs. Under general direction from the IFG Board, assists with oversight and direction of gymnastics coaches and facilities during the operational hours of the program.

Responsibilities include, but are not limited to:

- Coaching for USAG programs from Level 3 to 10
- Xcel programs, and developmental and recreation programs for children
- Manage and grow our existing programs, including team management, program development, profitability, equipment safety and cleanliness, employee development, and community outreach.

Requirements:

- USA Gymnastics Professional Member Certification with Safety Certification, Safe Sport Certification and U100 Course Activities up to date
- CPR/First Aid/AED Certification or the ability to become certified
- 18 years of age
- High School Diploma
- Experience with children ages 3-18
- Minimum one year gymnastics coaching experience preferred
- Management experience
